

Plans Announced For Trailer Court To Serve District

Financial Support Will Be
Required If Venture
To Continue

C. E. Osburn, Truckee garage owner, announces that he has obtained an option on 20 acres of land half a mile south of here on the Brockway cutoff on which it is proposed to construct facilities for a modern auto trailer court.

Osburn said he has made a complete and thorough study of the need for such a project to care for some of the hundreds of people who will be in this area in the forefront of a potential gigantic development program.

"Unless we can provide a place for these people to live," Osburn declared, "they will be forced to go elsewhere. If our business and population is to enjoy the increase anticipated, we must first provide for quarters."

Many of these families, the promoter pointed out, will welcome facilities of an adequate trailer park as many will have trailers and since the law specifically prohibits parking trailers anywhere except in authorized camps, a problem arises which must be answered.

To cost \$50,000, Osburn proposes to start the project with 50 units, increasing the capacity as the need demands. His survey, conducted during the past several weeks, indicates that the initial cost will approximate \$50,000, but as the demand for the facilities increases, provision has been made to expand up to 250 units if necessary.

Since the undertaking poses a financial problem, Osburn plans to contact other local business people and anyone interested in the needed development to participate under a joint venture through the sale of stock on the basis of \$100 a share, if sufficient interest is manifested.

As the project develops, Osburn explained, it is hoped to install a swimming pool, a community hall and other appointments to make the court more attractive.

"I am sure," Osburn said, "that the project will pay its own way even with a minimum expenditure, but through enlargement and development, it can be a very worthwhile thing both from a standpoint of financial return direct as well as an important community project. There is an urgent need for the facility at once and it is hoped that the work can be started immediately to care for the scores of workmen who will be here this summer."

Osburn invites anyone interested in the plan to contact him so that he can determine whether or not the venture will have the support of the community. He said he would be more than pleased to discuss details of the proposal with anyone interested.

HIGH SCHOOL PTA TO NAME OFFICERS

A nominating committee was named at the May 10th meeting of the Tahoe Truckee High School Parent and Teacher Association, held in the school building.

The following were chosen to serve: Mrs. Chester Robertson, Kings Beach; Mrs. Chas. Rich, Carnelian Bay; Mrs. W. Craig, Floriston; Mrs. Frank Giovannoni, Truckee; Mr. Frank Ratliff, faculty representative. Election and installation of officers held on Thursday, May 24th, at 8 p.m. in the high school. A full slate of new officers has been chosen.

One of the proposed projects for the coming school year is the purchase of uniforms for our very active school band. A special invitation to attend is extended to parents of all high school and present sixth grade students.

Refreshments will be served at the close of the meeting by a committee headed by Mrs. Muriel Frey.

Fair Booklets Will Be Available For Exhibitors

A booklet of rules and regulations will soon be available for prospective exhibitors from the Truckee, Soda Springs and Floriston area at the 17th Agricultural District Nevada County Fair to be held August 23rd through the 26th in Grass Valley.

Anyone wishing information concerning entering the exhibit from this district may see or write Director James Sherritt at Soda Springs.

Accused Thief Will Face Charge By Tahoe Resort

AUBURN—Sheriff William A. Scott will leave for Madison, Wis., Tuesday to return Donald William Wood on a grand theft charge filed in August, 1953, by Don Huff of the Homewood Resort at Lake Tahoe.

Wood is charged with taking \$800 left by a guest at the hotel for deposit.

Governor's Driver To Take Charge Of C.H.P. Squad

Sergeant Francis Snyder, who, for the past five years has been Governor Goodwin J. Knight's personal driver, has arrived in Truckee to replace Sergeant Edward Freeman as head of the Truckee squad of the California Highway Patrol.

Sergeant Freeman has been assigned to a permanent position with the patrol academy at Sacramento where he will hold a highly important post in the technical training school. During his command here, the sergeant has established an excellent record and leaves the regrets of his squad as well as local residents.

Sergeant Snyder, who drove the governor's car 50,000 miles without so much as a fender scratch, is a veteran of 12 years with the department, having considerable experience in various locations. Both he and Mrs. Snyder were raised at Placerville and were anxious for the Truckee assignment because of the fondness for this type of country. They have four children and the family is expected to come here as soon as school at Sacramento closes.

Snyder was replaced as Governor Knight's driver by Sergeant William T. Kramer.

In leaving Knight, Snyder has some compliments to pay.

"Governor Knight is just a wonderful man," he said. "And I am happy to say he is not a back seat driver. He has never spoken a cross word to me nor given me any orders on how to drive."

"We obey the speed laws and traffic regulations at all times. The governor is safety conscious."

"Knight is very friendly as everyone knows. When we stop for traffic lights he waves and talks to motorists. He visits with newsboys and jokes with cab drivers."

Mrs. Freeman and their children will remain here at least until the close of school before going to Sacramento.

EARLY BIRD ANGLER FINED FOR CATCH

Alfred Mogensen, 46, Reno, couldn't wait for the trout fishing season to open and jumped the gun a week. As a result he was cited by Game Warden Erv Single last Sunday and paid a \$50 fine before Judge Perkins at Loyalton on Monday.

Mogensen was apprehended on Stampede creek with a 16-trout catch. The season opens Saturday and the limit is 15 fish.

Sunshine Girls Plan For Initiation At June Meet

The Pythian Sunshine girls of Donner Council No. 13 met Wednesday night May 16th in regular session.

Freda Harris presided. Plans were completed for initiation to be held next meeting, June 6th. Installation of new officers will be held on June 20th.

Those in charge of refreshments for the next meeting are Valerie Mandeville assisted by Dorette Rose and Janice Roth.

Girl Scouts Hold Meet At Park To Get Badges

On Tuesday afternoon, Donner Troop Girl Scouts held their meeting at Donner State Park, where the afternoon was spent in working on several requirements for the cyclist badge.

Girls participating were Patsy Jensen, Pat and Pam Freeman, Steffi Cozzi, Dorette and Pamela Rose, Linda and Judy Giovannoni, Ruth Parkhurst, Donna McReynolds, accompanied by Mrs. Dave Rose and Mrs. Frank Giovannoni.

Local Girl Gets Beauty College Scholarship

Margaret Speeter, senior at Tahoe Truckee High School, was announced as the winner of a \$50 scholarship awarded by a Reno beauty college. Margaret is the daughter of Mr. and Mrs. W. H. Speeter of Carnelian Bay and is planning on attending the college in September.

This \$50 scholarship was awarded after she successfully completed an aptitude test and passed a personal interview.

Merchants, Local School Officials Discuss Purchases

New Policy Of Buying To
Be Studied At Meet
Here Today

A meeting of all merchants in the district has been called by E. V. O'Rourke, district school superintendent at the suggestion of Reg Smart, president of the governing board of the Tahoe Truckee School District, for this afternoon at 3:30 p.m. to discuss with school officials one of the most important issues in the district.

The purpose of the meeting, Smart said, is to determine the supplying ability of district merchants in providing school requirements and to ascertain if school district buying cannot be made as economical and convenient from local suppliers as by ordering from out-of-district stores.

O'Rourke declared that he would insist upon buying for the school within the district if he could be assured that required merchandise is available and if prices are in line with other districts.

Smart said the matter has repeatedly been called to his attention and the meeting was ordered called to get merchants and school officials together for an open discussion in an effort to iron out problems of supply and demand, prices and advantages.

School Election In District Tomorrow

More than passing interest is centered on the district school election which will be held tomorrow (May 18) between the hours of 7 a.m. and 7 p.m.

Two candidates, one filed and whose name will appear on the ballots and the second a write-in. The former is George (Bud) Zorich of Soda Springs, the incumbent and the write-in is Byron K. Miller of Floriston.

There are no announced issues at stake in the election but it is understood a concerted campaign is being waged by supporters of both candidates.

Polls will be at Floriston, Kings Beach, Tahoe City, Truckee and Donner Trail.

WAGGONER NAMED TO HEAD SPORTSMEN

Jack Waggoner of Donner Lake was the only nominee for the office of president of the Truckee Outdoor Sportsmen named at the meeting of that group last Friday evening. Waggoner is the current president.

Charles Osburn was nominated for the office of vice president, a position he now holds.

Nominations will remain open until the election on June 8th. The club has voted to affiliate with the Associated Sportsmen, but in order to accomplish this important step, it will be necessary to raise the annual dues from \$1 to \$1.50 as the dues in the state organization are 50 cents per member annually.

Edward Grant, Truckee district forest ranger, presented a film on conservation which was interesting and entertaining.

Wyethia Club To Meet

A regular meeting of the Wyethia Club will be held tomorrow evening at 8 p.m. with Mrs. Helen McCarty presiding for the first time.

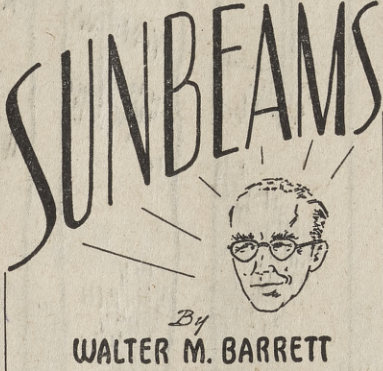

Members are requested to ask their friends to the evening's program.

Son For Nelsons

On Mother's Day, Dr. and Mrs. Lawrence D. Nelson welcomed their third child and second son. The boy weighed 7 pounds and 13 ounces upon arrival.

Daughter Is Born

A daughter was born on May 9th at the Highland Hospital in Auburn, to Mr. and Mrs. Marshall Rukhala of Lake Forest. This was a happy event as they already have two boys, Tommy and Carl. The new girl weighed 8 lbs. and 5 ozs. and has been named Susan Elizabeth.

WALTER M. BARRETT

We can think of only one sensible answer to the question to be resolved at today's meeting between school officials and merchants in the Tahoe Truckee Unified School District. That answer can and should be that the district, when possible, will patronize local store owners. There has apparently been a tendency to make most school district purchases out of the district but in calling the meeting today, officials have shown an honest desire to change this policy and it is incumbent upon the store keepers to show that local selections and comparable prices, to say nothing of better service, are to be had in this district. We have always felt that our institutions owe a certain loyalty to the communities that make them possible, and there is no better way of showing this loyalty than by patronizing local stores and distributors. The taxpayer knows that his property becomes more valuable as the community grows and he knows too that it cannot grow if the money rightly belonging in the district is spent elsewhere to help some other area develop.

Closure to bait fishermen of a six mile stretch of the Truckee river has taken much of the pleasant anticipation for opening day fishing from sportsmen, but nevertheless there are many streams and lakes ready for the onslaught and we predict fair to good results. One of the prime objects of the sportsmen of this area for the year will be to have the six choice miles reopened for next year and we trust there will be no difficulty encountered from outside interests.

The Capitol News Service at Sacramento advised the Sierra Sun this morning that the state highway commission will consider at its June 21st meeting the adoption of the freeway routing of U.S. 40 through Truckee as outlined in previous public hearings.

The route will run east from Donner Lake going parallel to the present routing on the south and will swerve north in Truckee proper, rejoining the present route east of Floriston.

Actual start of construction will depend upon the availability of funds but is expected early next year.

Graduating Class Feted During Rotary Meeting

The graduating class of the Tahoe-Truckee High School were guests of the Truckee Rotary Club at the evening meeting on May 14th, 1956.

In addition to the young people present the high school staff was represented by Everett O'Rourke, Conrad Briner, Frank Ratliff and Miss Thelma Finger.

A panel discussion was held with Duane Pomin of Tahoe City, Judy Loynd of Truckee, Sharon Little of Kings Beach, Gary Anderson of Tahoe City and Jay Mandeville of Kings Beach participating as the panel members. Ed Grant acted as the master of ceremonies.

Next week the local Rotarians travel to Donner Summit Lodge to celebrate their charter night.

On May 28th they again go to Donner Summit Lodge to meet in joint meeting with Nevada City and Grass Valley. This meeting is also an annual event rotated among the three clubs.

Tahoe PTA Meet

TAHOE City—The regular May meeting of the Tahoe Lake P. T. A. will be held on Friday evening, May 18th. There will be the installation of officers which will be followed by Fun Night. The fun night festivities are being co-chaired by Mr. Horvath and Mr. Cooke. A movie will be given for the children. Dancing and games will be held for the adults.

Ten Games Slated As Baseball Team Ready For Season

Merchants Will Be Asked
To Assist In Getting
Equipment

Ten baseball games with four out of town teams have been scheduled by the Truckee Athletic Club nine which was organized at a meeting here Monday.

The locals will play Lovelock, Fallon, Colfax and Bridgeport and still other games are to be scheduled, later, Al Wakefield, team manager, reported.

Wakefield reported that a large turnout of players has responded for practice meets and there is every assurance that a representative team will start the season. Practice will be held tonight at 5 p.m. and again on Sunday at 2 p.m. and all players are invited to turn out.

Work is progressing on repairing the field but more volunteer labor is needed.

The club will solicit local merchants for help in buying uniforms. Dave Morey, club president said, and anyone wishing to be represented may contact either Morey or Wakefield.

Fishing Promises Fair Results Here

Smaller low elevation streams and lakes appear to be the best bets for the May 19th trout season opening in Nevada, Placer, Sierra and El Dorado counties, department of fish and game warden reports.

Recent storms and an unusually wet winter generally have caused streams to rise and it is even feared that the flood conditions last December may have washed many trout from the upper reaches of good fishing streams.

Back country fishermen are warned that the ground is soft and warden suggest that only four-wheel drive vehicles be used in remote areas for the opening days.

The Truckee river is expected to be fair to good but is posted from the bridge near the sewer disposal plant to Boca against bait fishermen. Other streams which offer possibilities are Donner, Alder, Prosser, Sage Hen, Little Truckee and Boca Reservoir.

Higher elevations in Placer as well as Nevada are expected to be poor.

Only bait fishing is expected to bring results during the opening weeks of the season.

137 TAKE PART IN HUNTING PROGRAM

The hunter safety program for school children, conducted under the direction of Erwin Single, game warden for this area, was completed in the schools of the Tahoe-Truckee Unified School District on May 7th. One hundred and thirty students in the elementary schools and high school participated in the program. Those assisting Single in the program were: Darrell Knoefler, Jack Stowe, Max Krueger, Bake Fry, Max Williams, Edward Grant, Nelson Stone, Bud Owens and Carroll Maynard.

Bound For Italy—Pete Lazzari left Tuesday on the first lap of his trip, flying from Sacramento to San Francisco, continuing to New York where he will go to Milano, Italy to see a brother and sister. Lazzari plans to return home by the 20th of August.

Busy In City—Mr. and Mrs. Lloyd Everett were business visitors in San Francisco last weekend.

Anniversary Time—Mr. and Mrs. Harry Stout observed their wedding date last Friday.

A Happy Date—Mrs. Roxie Archie's natal date was celebrated on Tuesday with her family.

East On Visit—Mrs. Gale Brown was reported to be visiting relatives in the eastern part of the United States.

Breaks Leg—Mrs. Carl Becholdt, Jr., Tahoe City, is a patient at the Tahoe Forest Hospital where she is being treated for a fractured leg suffered in a fall Tuesday night.

At Tahoe—Mrs. Zella Mortimer has arrived from Sacramento to spend the summer at Tahoe City.

Hospital To Install Modern Heat For Individual Patient

Providing additional facilities for patient comfort, the directors of the Tahoe Forest Hospital Friday agreed to install a late type individual room temperature control system.

The new equipment, as explained by Administrator J. J. McGlade, will make it possible to control the temperature in each room to suit the need for the patient and doctor. The new equipment is being installed at a cost of \$1468, payable over a year's time.

The board accepted the resignation of Howard Vaughn as treasurer for the hospital and named Daven Morey as his successor. Vaughn has left the community.

McGlade acquainted the board with recent developments concerning the proposed freeway and its effect upon hospital property. The new road will not, under present plans interfere with future development, it was explained. It was also agreed to secure costs for necessary ground improvement, such as walks, driveways and repairs to the exterior of the building.

Directors present included James Sherritt, C. R. Heller, I. Firpo, Warren Porter and Asa Abbott.

MEMBER OF PIONEER TAHOE FAMILY DIES IN BAY HOSPITAL

A letter from Mrs. Evelyn W. Bliss of Oakland told of the death in a San Francisco Hospital of Walter D. Bliss, 83, member of a pioneer Lake Tahoe family who died May 8th. He was a noted San Francisco architect.

The deceased was a native of Glenbrook, Nevada, the son of Duane L. Bliss, who came west in 1850 to go into the banking business at Virginia City and later in the lumber business at Glenbrook and Carson City. The senior Bliss was the guiding figure in the construction of Tahoe Tavern, the old railroad between there and Truckee and operated boats on Tahoe.

In 1928 his children gave 162 acres of Lake Tahoe shoreline, including Rubicon Point to the state and it is now known as Duane L. Bliss Memorial State Park. The family still owns Glenbrook and the deceased spent much of his time there.

Walter Bliss was the last of a family of five children, William S. and Charles T. of Piedmont, Hope Bliss and Duane L. Bliss of San Francisco.

Surviving are a nephew, William L. Bliss of San Francisco and a niece, Mrs. J. Paul St. Sure of Piedmont.

The deceased was associated with the architectural firm of Bliss and Fairweather and he helped design the St. Francis Hotel, Tahoe Tavern and many other famous northern California structures.

SIX TRADE CRAFTS START DRIVE HERE

KINGS BEACH—As a result of a meeting held May 1st in Tahoe Valley, representatives from six international American Federation of Labor-CIO Unions are in the region organizing a drive of building and construction crafts.

Forty-four delegates attended the meeting and 15 crafts were represented.

Crafts with a representative are carpenters, operating engineers, teamsters, laborers, plasterers and cement masons, and wood, wire and metal lathers. Others are expected. The organization drive will continue until May 21st when an evaluation meeting will be held in the Carpenters Hall at Kings Beach.

The area embraces the Lake Tahoe region, including the Highway 40 area from the Nevada State line to include Donner Summit section.

James Carter Chosen As Navy Apprentice

SAN DIEGO—Selected at the Naval Training Center, San Diego, California, as apprentice petty officer third class was James B. Carter, son of Mr. and Mrs. Thomas J. Carter of Truckee.

The Apprentice Petty Officer, scheduled to graduate May 12th, was chosen from the ranks of the seamen recruits to assist the company commander. The selection is made on the basis of aptitude and leadership qualities of each individual.

Loynd Returning

E. L. Loynd, operator of Loynd's Truckee Drug, who has spent the past nine weeks in a San Francisco hospital undergoing specialized treatment for a leg injury, is expected home Saturday and will resume his duties at his store. Loynd has been away from the store since October and will be welcomed back by his many friends.

Superintendent Is Employed Here To Serve P.U. District

Retirement Of Edmunds Is
Seen In Action By
Directors

Directors of the Truckee Public Utility District have created the position of superintendent of the district and have authorized Manager C. Edmunds to employ Raymond F. Barth of Lucas, Kansas, for that post. Barth and his family are expected here later this month.

In creating the position of superintendent, the directors were contemplating the eventual retirement of Manager Edmunds, who has been with the district since its organization over 29 years ago. They felt, according to President Charles Heller, the need for the preparation of someone to take over the responsibilities of the district. Barth, as superintendent, will have the opportunity to acquaint himself with the district's purposes and aims.

Barth has been employed as superintendent of the electric, water and sewer systems of Lucas for the past six years and comes highly recommended. He has been engaged in the electric business all his working life and superintended the erection and building of electrical systems in Iowa, Kansas, Missouri and Colorado.

The new superintendent is married and has three children, two boys of elementary age and one girl entering high school.

Mr. and Mrs. Barth visited here last year and were much impressed with the possibilities of this area and are looking forward to making their home here. He is an ardent fisherman and hopes to enjoy his favorite sport during his spare time.

Sugar Bowl Will Install New Lift

Directors of Sugar Bowl have entered into a contract with the Heron Engineering Company of Denver for constructing a new double chair lift at the popular resort on Donner Summit this summer to be ready for next winters patronage.

The new lift will run from the Sugar Bowl lodge to the top of Mt. Lincoln, a distance of 6,260 feet and will supplement the present lift which goes to the top of Mt. Disney.

The installation will cost in the neighborhood of \$200,000, manager Walter Haug declared, but will provide the resort with the best available equipment for all types of slopes.

Other improvements are contemplated during the summer to add to the convenience and pleasure of winter sport enthusiasts.

Committees Are Named For Local PTA Program

Committee heads for the coming year were named by Mrs. Edward Frates at the Monday evening meeting of the Truckee Elementary School Parent and Teacher Association, as follows:

Mrs. Ralph Daniels, hospitality; Mrs. William Waters and Daven Morey, memberships; Mrs. William Englehart, Jr., music; Mrs. Kenneth Hedlund, magazines; Ruth Robinson, programs; Mrs. P. A. Patnoud, health; Mrs. Ray Hintz, publicity.

The annual school picnic for the grades from kindergarten through the sixth grade will be held at the west end of Donner Lake on Wednesday, June 6th, it was announced.

Wayne Bartholomew, recreational specialist with the California recreational commission was the speaker of the session outlining ways and means to obtain funds for recreational purposes from the state.

Lynn Kishbaugh's sixth grade received the award for the attendance of parents at the meeting.

Mesdames Dan Horman, H. Beck, J. Taylor, C. W. Kydd served on the refreshment committee.

The meeting will resume at the early part of September, following the opening of the fall semester.

Pickards Have Daughter

Mr. and Mrs. Donald Pickard are the proud parents of a baby daughter, Christine Dianne, seven pounds, 10 ounces, born Saturday at 7:30 a.m. at the Tahoe Forest Hospital. Dr. L. D. Nelson was the attending physician.

Loynd Returning

E. L. Loynd, operator of Loynd's Truckee Drug, who has spent the past nine weeks in a San Francisco hospital undergoing specialized treatment for a leg injury, is expected home Saturday and will resume his duties at his store. Loynd has been away from the store since October and will be welcomed back by his many friends.

AFFAIRS OF STATE
by Henry C. MacArthur
SACRAMENTO —(CNS)—One of the five remaining citadels of freedom in California, now that the bureaucrats have taken over most of the state's administrative functions, and the school system as well, are the courts.
Normally, the courts are not clothed in secrecy, the public is privileged to attend trials if it so desires, and actions filed in the courts always have been matters of public record.
In the face of this open guarantee that justice and the manner in which it is dispensed is the heritage of the people, comes the superior court of Sonoma county, in Santa Rosa, where Judge Donald Geary in an arbitrary and unprecedented action, closed a murder trial both to the public and to the press.
News Withheld
Although the press is a private enterprise, and thinking people hope it will always re-

Fatal Fallacies by Ted Key

The Travelers Safety Service

main that way, nevertheless the newspapers of California in maintaining their integrity and right of continue in private enterprise, have an obligation to the people. This obligation is to print the news.
Obviously no newspaper can print news when it is withheld by judges, bureaucrats, or other servants of the people who would abuse their powers to become the masters of the people.

Consequently, it is important that open court be continued in California, and elsewhere, as a precedent could establish the right of almost any judge in almost any case, to order the doors of the court closed and thereby rob people of their right to know. Closed doors not only in the courts, but in administrative and legislative affairs as well, constitute the invitation to nefarious connivance on the part of judiciary, legislative and executive branches of government, and it has been behind closed doors that most actions contrary to the welfare of the Republic have been taken.

It is heartening to know, then that several newspapers immediately affected by the action of Judge Geary let no grass grow under their feet in seeking higher legal action to compel the Sonoma county judge to open up the murder trial to the public and the press.

Among these were the San Francisco Examiner, the Sacramento Bee, and the Santa Rosa Democrat, all of which were engaged in covering the trial when reporters were barred.

The plaintiffs secured an alternative writ of mandate from the third district court of appeals, but the writ was of little use in the immediate emergency. It merely directed the judge to open up the court, and if he did not do so, to appear before the appellate court May 10, and say why he had not complied with the writ. The trial could be long gone by May 10th, and the issue still not resolved.

Judge Geary infringed upon another prerogative of the press in giving his reason for closing the trial. He said the evidence might be "sordid". Perhaps it might, but in all the history of the state, it has been up to the editor to determine on the advisability of what "sordid" matters to print, and what to withhold.

No Bids Required On Cars If No Purchasing Agent
SACRAMENTO —(CNS)— Attorney General Edmund G. Brown ruled today that counties which do not have purchasing agents need not obtain bids before purchasing county automobiles or other vehicles from county general funds.
In such instances, Brown said, boards of supervisors may buy vehicles without bids.
Brown said motor vehicles do not come under the term "supplies" which counties must purchase using a bid system.
The opinion was requested by Robert W. Merrill, district attorney of Alpine county.

STRICTLY STRICKLAND

By Bill Strickland

At the last meeting of the Donner Summit Post No. 811 of the American Legion, nominations were in order for post officers for the coming year.

Nominated for commander: Carl Widing, Emigrant Gap; first vice commander: Bert Barber, Soda Springs; second vice commander: Marshal Finch, Soda Springs; adjutant: Bill Rutherford, Soda Springs; treasurer: Chuck Reynolds, Soda Springs; service officer: Elmo Moriano, Soda Springs; chaplain: Milton Hogle, Soda Springs; sergeant at arms: Milt Avila, Soda

Springs; judge advocate: Bert Barber, Soda Springs.

Col. Bill Rutherford, our present adjutant, had on display some very fine "Hardware" which had been won by the post for membership achievements. A big first of all posts in the state for the highest percentage above quota—335.27. How's that for results? Most veterans like to get up in the world, so they just naturally join the nations highest post (7,135 feet). If you are a veteran, but not yet a Legionnaire, why not ELEVATE yourself? We are welcoming new members every day.

This years installation of officers will be combined with an outdoor barbecue here at Soda Springs on Sunday, the fifth of August. If you've ever attended any of these Legion sponsored barbecues in the past, you'll recall them as having been wonderful outings for the entire family. So, make a note and plan on joining us on the 5th of August this year.

Another event planned by the

Legion this year, will be a brunch on Veteran's Day, November 11th. We will have more on that one following our next meeting.

Delegates and alternates to the state convention in Fresno, (June 27th to July 1st) were also nominated at our last meeting. The following delegates were nominated: Milt Hogle, Commander; Carl Widing, 1st vice commander; Bill Rutherford, adjutant; Chuck Reynolds, treasurer and Elmo Moriano, service officer.

Alternates nominated were: Captain "Gloom" Mills, Milt Avila, Bill Strickland and Niles Grant.

Everyone is looking forward to this state convention. It should be a dandy.

Loren and Mrs. Wofford of Wofford's Motel have just returned from a too short (according to Loren) vacation trip. The first week was spent at Tuscon, Arizona where they visited with son Bob and his bride. Bob is stationed at Tuscon

at one of Uncle Sam's army bases. After leaving Tuscon, they drove to Fresno to visit old friends they had made while they were in business and living in Fresno.

The employees of Donner Summit Lodge were pulled out of the sack early Saturday morning when they were awakened by a special busload of breakfast seeking men and women. Occasion? Fresno Voiture of the 40 and 8 - Reno bound for convention time. Ralph W. Lingle, grand correspondent, made light of the dull morning with his flash attachment as he took pictures of the sleepy gang having breakfast.

Just heard that Brant Chaplin was admitted to a hospital in Reno the other day. Don't know what the trouble was, but certainly hope it isn't serious.

Gold in California ranges from about 700 to 900 in fineness.

LITTERBUGS WILL BE CITED, SAYS PATROL

Persons apprehended scattering trash and rubbish along public highways will be arrested says Sergeant Ed Freeman of the California Highway Patrol in emphasizing an enforcement program designed to curtail this type of activity in California.

"A law prohibiting the throwing of cans, bottles, papers, garbage and other refuse on our highways was placed in the California Vehicle Code by the 1955 Legislature," said Sgt. Freeman. "This restriction against litterbugs prohibits the scattering of trash anywhere along the right-of-way of a public highway."

The 1954 toll count on the San Francisco Oakland Bay Bridge was 31.2 million crossings and \$9.4 million in fees collected.

SIERRA SUN ADS PAY!

KNIGHT TO SPEAK AT CHAMBER MEET

Governor Goodwin J. Knight will be the principal speaker at the California State Chamber of Commerce's statewide conference on Water quality, May 24th in San Francisco.

The Governor will address the luncheon session of the all-day conference at the Sheraton-Palace Hotel. Presiding will be Carl F. Wente, San Francisco, president of the state chamber. The subject of Governor Knight's address will be "Water and 25 Million People."

Both the morning and afternoon sessions of the conference will be concerned with the same theme—the importance of water quality and water pollution control as factors of California's future growth. Representatives of agriculture, industry, public agencies, recreation interests and all other groups affected by water quality and pollution control will be invited to participate in the conference.

NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1956 to June 30, 1957 has been adopted by the fire commissioners of the Truckee Fire District, said budget being:

Maintenance and operation, \$5,327.00.

Capital outlay \$3000.00

Total, \$8,327.00.

Said budget is available at the office of W. Rex Thomas, Secretary, Truckee Fire District—Fire Commissioners

The fire commissioners of the Truckee Fire District will meet at the office of W. Rex Thomas, Truckee, Nevada County, California, at 10:00 A.M. June 18, 1956 for the purpose of fixing the final budget for the District.

At that time and place any interested taxpayers may appear and be heard in regard to the increase, decrease or omission of any item of the budget or for the inclusion of additional items.

Dated May 14th, 1956.

W. Rex Thomas, Secretary
Truckee Fire District—
Fire Commissioners

NORTH TAHOE

By JUDGE HARRY CHARRISON

Variety Show

Friday is the night we have been looking forward to for the past few weeks. It's the big variety show at the Tahoe Theater in Kings Beach, sponsored by the Community Church, and Jimmy Chastain, the M.C., says it will far surpass the one held last year, and asks that you support the project by attending. The prices are very reasonable. Friday, May 18th.

Something New

Did you know that Robert (Bob) Howell has taken over the Tahoe Sportsman in Kings Beach, which was formerly run by H. E. (Pappy) Brooks? Pappy, as you might know, is now in the sign business with his son Bev. They have two of the smartest trucks in the area. We wish these popular people all kinds of luck in their new ventures.

New Stop-New Citizen

Dropped in the new Knit and Yarn Shop of Hannah Corona, wife of our popular postmaster at Tahoe City. Hannah has a wonderful fine stock of yarns, she makes beautiful wool dresses as cute as can be and she tells me that she will become a citizen of the good old U.S.A. during June. We shall welcome her wholeheartedly.

Meeting

On the 23rd of May there will be a big meeting of the newly formed Business Peoples Club of North Tahoe. This is going to be a most important meeting and will eventually be of great importance and benefit to the whole community, so whatever support this club asks for, it will be well worth your while to cooperate. For any information, call either Bob Stevenson, Larry Ludlow or Mrs. Polzen, the secretary. This will be held at Joby Lewis's Monte Carlo. There will be a dinner at 8 p.m.

In The Navy

Well, we hear a couple of our popular young men that have joined the naval reserve and are attend-

ing the drills in Reno each week. They are Kenny Lavery and Davy Ashton. They are as proud as can be, and we are proud of them. The U.S.A. need have no fear now with such stalwarts to protect us.

Coming Home

They are coming pretty fast now. The latest are Steve Riolo of the Riolo Inn, and Wendy and Ginger Schumacher, our popular young store keepers. They have been east all winter and are now back looking as fresh as can be and are enjoying the beautiful sunshine.

Sold

Dr. Prescott has purchased the home of Mrs. Ella Blake on Brassie Avenue on the golf course. It is a very nice home and Mrs. Blake is very loath to give it up, and one could hardly blame her. The doctor will have a nice place for his practice.

Visiting

Virginia and Mike Kornazwich are as happy as can be to have Virginia's sister here for all the summer. Barbara, that's her name, is so happy to be here and thinks it's wonderful, snow flurries and all. She is from Miami. She might make her home here, and mighty welcome to do so, too.

Golf

It's hard to believe that summer is almost here, but it must be as we saw a couple of guys out on the golf course this Saturday, just getting their nickles worth before the cashier gets on the job.

Mother

Gene Faulkner had a nice trip down to Santa Anna to visit his mother. He said he just couldn't go over Mother's Day without seeing her. Yes, mothers come into their own on this day, set aside for them, bless them all.

Church

Mother's day at the Community Methodist Church, was simply beautiful. The church was full of both mothers and their children. Rev. A. B. Covher preached on "This Is My Life" and the Pathfinders sang several numbers with young Francis Howard as the director. They

were very cute. Next Sunday will be the anniversary of Pentecost. Members and friends are asked to renew their commitments to the church. Won't you help?

Hart & Soule

Talking to Marie Hart of Tahoe Vista on Mothers Day, she told me that she was happy after getting a call from her son in Reno, that he, Art Soule, his wife and two children were coming over and bringing a full dinner already cooking so that mother could enjoy her day in style and comfort.

Birthday

A wonderful birthday was had at the Gun Club last Saturday night when Sharon Becholdt and Jo Ann Van Hooser celebrated their birthdays with a good number of their friends enjoying an evening of games and dancing, and of course nice refreshments.

Opening

The Grand opening of the Crystal Bay Club was held Tuesday, May 15th with cocktails and buffet during the evening, there was music and fun all evening and a real big crowd attended.

Going Away

Father Patrick O'Neill was royalty feted at his going away party at Joby's Monte Carlo last Tuesday night. Helen and Joby did themselves proud with lots of music and entertainment. There was a delightful buffet supper and of course cocktails. Father O'Neill will leave the area for his homeland— Ireland, early in June. To say he will be missed is an understatement as he is very popular among the people of all creeds. We hope he will have the best time possible, but in order to let him go, he had to promise to come back.

More Visitors

Guests this week of the Byron Abbotts were their son-in-laws' mother and father, Mr. and Mrs. Geo. Lemke of Seattle, Washington. They will stay for a few days. Oh, yes, daughter Diana and her husband will be here of course.

Surprise Visit

Now a little later from the article above, Gene Faulkner came home late on Mother's day and brought his mother and dad up. His mother has two sons and two daughters here, Ileta Faulkner and Icy LaBorde and Gene and Sam Faulkner.

Fracture

Saw Deputy Sheriff A. T. McCarter of Crystal Bay. He was just getting a fractured wrist put in a cast by Dr. Sklar. How did he get it? Well, I think someone twisted his arm. He was telling me how he was having trouble with some small boys in the neighborhood.

P. T. A.

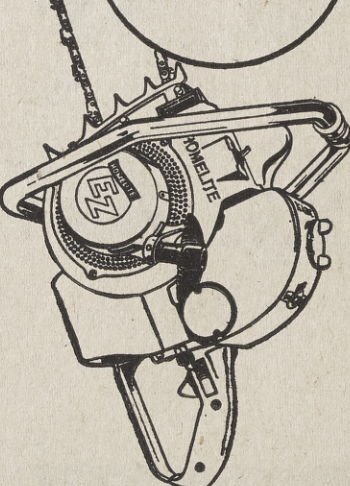

Virginia Robertson of Kings Beach says there will be a meeting of the P. T. A. at the High School in Truckee on the night of May 24th there will be election of officers and also installation. There will be refreshments, and you are urged to attend at 8 p.m. Don't disappoint us, says Virginia.

The national park system, owned by all Americans, is a priceless part of the American heritage.

"DRIVING THROUGH THE YEARS"

The story of the Motor Car

CAR INTERIORS - YESTERDAY AND TODAY

Then came the
"side curtains"

which would make a touring car
fairly comfortable in the rain, but too
cold in winter until the "closed car" began to

supply the "touring car"
and "roadster"
The first closed cars were box
imitations of carriage coaches
with silly frills like flowers
vases on the sides etc.
Today's cars are the acme
in luxury and "living room"
comfort with rich, long-wearing
fabrics, easy to clean and the
"interior decorator" look of a car styled as smartly as the
typical BUICK RIVIERA models.

Tahoe-Truckee
School District
News

KINGS BEACH
KINDERGARTEN AND FIRST
GRADE: We have an additional kindergartener in our room. He is Greg Krips.

Gale Gratton was seven years old this week. Mrs. Gratton brought favors for the class in honor of Gale's birthday. Andy Thompkins also reached the age of seven this week.

Brenda Hallahan brought a very large bouquet of daffodils for the classroom.
SECOND AND THIRD GRADE: This week we have been writing poetry. The best poems were rewritten and they will be sent to the district superintendent's office, where they will be judged by a committee of teachers and parents. The following second graders whose poems or stories were sent in to the district office were: Vicki Russell, Phil Thompson, Chris Althoff, and Bruce Templeton.

The following third grade children write outstanding stories or poems: Wendy Boatman, Amy Arndt, David Mills, Leta LaBorde and Marlea Draney.

The new third grade boy in our room is Ronald Bommarito, he lives at Sportsman's Port, Tahoe Vista, with his grand parents.

Jeffery Hewitt transferred to Tahoe City.

FOURTH, FIFTH AND SIXTH GRADES: Con Briner, vice principal of the high school, paid us a visit this week.

TAHOE LAKE SCHOOL
KINDERGARTEN AND FIRST
GRADES: Tahoe Lake first graders can be proud of their star papers this week. Armen Abrahamian, Chris Beavers and Vicki Jones finished up their reader by getting 100% on the 47 word vocabulary test. John Carnell, Tommy Barr and Armen Abrahamian received stars on their 100% twelve word spelling tests.

SECOND AND THIRD GRADES: The natural resources of the United States were studied by the second,

NOTICE OF INTENTION TO
ENGAGE IN THE SALE OF
ALCOHOLIC BEVERAGES

April 20, 1956
To Whom It May Concern:
Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

E/W Hwy. 89, 2 1/2 Miles South of Tahoe City, Placer County.
Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license for these premises as follows:

Off-Sale General
Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Jesse R. & Monica S. Sears

Vandalism Hit By
U.S. Forest Official

Vandalism on the National Forest - the destroying of signs and other improvements seems to be increasing, Forest Supervisor L. A. (Gus) Rickle stated to a group of Forest Service employees at a recent meeting. Rickle asked that all rangers, patrolmen, and other Tahoe Forest employees be particularly alert to the apprehending of persons engaging in these destructive tactics and that they be cited before the federal court under existing criminal laws.

Rickle was informed today of two serious cases, one all but resulting in the destruction of a large concrete-steel bridge, plus the life of the person doing the vandal act. Apparently an individual had procured a high powered rifle and with it went on a spree of shooting up road directional signs, section corner signs, etc. On his way to Foresthill over the Mosquito Ridge forest highway, he stopped his car on the bridge and was shooting at various objects. He shot at one yellow warning sign, which was located on an underground dynamite powder storage dump.

Immediately, one ton of blasing powder exploded. The explosion shook the structure and showered it with all size rocks. An investigation of the bridge by the Forest-

Shirley Patton, Diane Kaspien, Gene McGibbon and Mike Kenyon.
SIXTH GRADE: Pat Freeman, Kathleen York, Terry Ellis, Dorette Rose, Charles Glenn, Wade Hensley, Jimmy Osburn, Dana Hamilton, and Barry Leamon earned perfect scores in spelling this week.

AERIAL MAPPING IS
BOON TO ENGINEERS

SACRAMENTO (CNS)—George T. McCoy, state highway engineer, announced formation of an aerial mapping unit within the state division of highways to help speed highway construction in California.

McCoy said the new unit will expand the division's present photographic mapping program to accelerate project planning and to offset a growing shortage of engineers.

The new unit will be headed by L. L. Funk, assistant district engineer of the division's San Luis Obispo office.

Sugar is the third most important export crop of Haiti.

hill Ranger indicated that the car was on the bridge when the explosion occurred and that the culprit lost no time driving away from the scene. An intensive search will be made by Placer County sheriff, forest service, and others to locate this wantonly destructive person. He will be charged with violation of federal law when caught.

The other serious act is the theft of the forest service entrance sign located on Highway 20 at the 5-Mile House. This is a large shield sign costing well over \$100 to make. This individual will be charged with theft of U.S. Government property when apprehended. An intensive search is under way by the Nevada County sheriff's office.

Rickle also appeals to all citizens to report any observed destructive acts of government property to local law enforcement agencies of the U. S. Forest Service.

NEWS NOTES
FROM TAHOE

by Ethel Joslin Vernon

Warning

Forest Supervisor L. A. (Gus) Rickel said this week (and seemed to want everyone to know about it) that vandalism in the forests, the destruction of signs and other necessary construction, as well as trees, is really going rampant. He advises all forestry employees, as well as ordinary citizens, to be on the alert and report any such vandalism that they may be apprehended and properly dealt with.

Building

Building construction in this locality, which is still on the increase, includes this week the erection of a new home for Mr. and Mrs. Bob Beckman, former Tahoe City residents. Their new home has been started at the Highlands Homesites tract near Lake Forest. The construction of another new home is under way this week on a homesite division just north of the Meeks Bay Resort. It is being built for Mr. and Mrs. Bud Dailey, on lakeshore property purchased from the estate of the late Mrs. John Drumm. Mr. Dailey is assistant manager of the General Motors Co. Mrs. Claire Dailey's father, who will spend the remainder of the season with the Daileys after the new home is completed in July, is Frank N. Challue, retired General manager of the Western Dredging Company which at present is completing a gigantic project at Big Bear Lake, in the San Jacinto mountains.

Cafes Open

Two Tahoe City restaurants that were closed for the winter made an early opening last week, and are carrying on a thriving business for this time of the year. They are Donaldsons' Restaurant and Conger's Cafe.

Open Homes

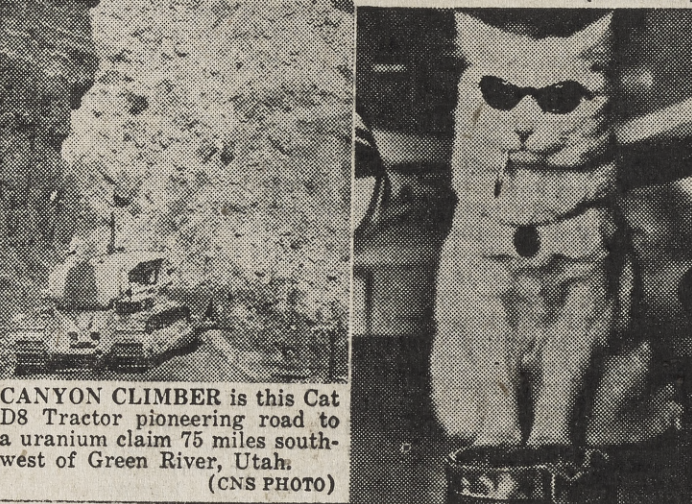

Among summer residents who opened their lakeshore homes for short vacations last week were the following: Mr. and Mrs. Bruce Dohrman in their Sunnyside home, with Mr. and Mrs. Elbert Ames of San Francisco as guests; Mr. and Mrs. B. C. Houdlett of Piedmont who opened their summer lodge on Dollar Hill; Mr. and Mrs. Ken Churchill who spent the weekend in the Archibald home near Carnelian Bay, and entertained a party of friends from the Bay area; Mr. and Mrs. Robert Thomas from their winter place at Bowman, who spent a few days in their Tahoe Pines home.

NATIONAL VIEWS & NEWS

HOLLYWOOD says Shirley MacLaine has the best limbs since Dietrich. She stars in the musical comedy film "Artists and Models." (UP PHOTO)

REAL HEPCAT is "Yogi" who is a television celebrity in Rome, Italy. His daily tobacco habit has earned him top billing. (UP PHOTO)

To Salt Lake

Mr. and Mrs. James Stewart who spent the past several months in Tahoe City where Stewart was a pharmacist in Jay's Drug store, left last week for Salt Lake City. He intends to take a two year course in the university there, after which he will be launched upon a career as a medical doctor.

Early Opening

At Tahoe Tavern last week the help's quarters and dining room were opened to a full sized crew of workmen and maids, and the main hotel is being made ready for an early opening, probably around the first of June. Preparations are going ahead under management of assistant manager Al Brune who arrived early last week.

On Furlough

Al Florence B. Vernon, on a furlough from Hamilton Air Force Base, spent the past weekend on a visit with her parents Mr. and Mrs. C. W. Vernon in Tahoe City. Visiting in the Vernon home also were Tsgt. C. D. Patterson and MSgt. Roy E. Scott, both of Hamilton Base. It was the first visit to the lake for the two sergeants and the mountain weather initiated them with the usual spring snow flurries.

PTA Entertainment

On the evening of Friday, May 18th, the Tahoe P.T.A. plans a free entertainment in the auditorium of the Tahoe Lake School in Tahoe City. The installation of officers for the ensuing term will be the first item on the program, to take place at 7:30. The real fun will begin at 8:00 under chairmanship of Paul Harvath. Assistant Chairman Mrs. W. G. Cook was aided in the arrangements by Mrs. Harvath, Mr. and Mrs. Abrahams and others.

Hold Luncheon

The Women's Club of Tahoe will hold their next luncheon-meeting at Bacchi's Inn, in Lake Forest on Thursday, May 17th at 12:30 noon. Election of officers will be held at this time, and no guests are expected. For reservations telephone by the evening before the date set. Call Pearl Snyder at 47, or Gladys Anderson at 240.

Meet Held

On Thursday, May 10th a meeting was held at the Tahoe-Truckee

High School, and the the following nominating committee was chosen: Mrs. Chester Robertson of Kings Beach; Mrs. Charles Rich of Carnelian Bay; Mrs. W. Craig of Floriston; Mrs. Frank Giovannini of Truckee; and Mr. Frank Ratliff as faculty representative. Election and installation of officers of the Tahoe-Truckee High School Parent Teachers Association will be held on Thursday, May 24th at 8 p.m., at The Tahoe-Truckee High School. One of the proposed projects for the coming school year is the purchase of uniforms for our school band. A special invitation is extended to parents of all high school and sixth grade students, to attend. Refreshments will be served at the close of the meeting by a committee

headed by Mrs. Muriel Frey.

Birthday Party

On the evening of May 2nd in Lake Forest, at Bacchi's Inn, Mr. and Mrs. Donald Snyder held a party celebrating the 8th birthday of their daughter Stephanie. Pink candle holders depicting little girls and animals were used, on the large birthday cake which was set on a musical cake plate, and all the children sang "Happy Birthday, Stephanie", when refreshments were served. At each place cards were found with "poppers" attached, and each child received as a dinner favor a ball-and-jack set. Besides the young hostess and her parents, guests included Joyce Anderson, Cathie Connors, Susie Wright, Christine Litke, Karen Grahn, Rae Lee Grahn and Sandra Snyder.

Governor Names State Water Pollution Board

SACRAMENTO —(CNS)— Gov. Goodwin J. Knight announced reappointment of five members of the state water pollution control board.

The members, and interests they will represent on the board, are:

A. M. Rawn, Los Angeles, chairman of the board who will represent public sewage disposal agencies; Richard S. Whitehead, Santa Barbara, county governments; Don C. McMillan, Pasadena, county governments; Walter S. Schmid, Garden Grove, irrigated agriculture; William U. Hudson, Oakland, industrial water users.

Amador County's 1954 mineral production was valued at \$729,338.

Cheaper Wages Cheaper Materials HIGHER Water Rates

A comparison of the water rates in Truckee back in the Good Old Days of 1909 when labor was getting \$2.00 per day and pipe and other water materials were over 400 percent cheaper than today shows that the present day water rates are cheaper.

	cost in 1909	1956	Saving
6,000 gals per month....	\$ 3.87	\$ 3.00	\$.87
10,000 gals per month....	5.87	4.00	1.87
25,000 gals per month....	12.10	7.00	5.10
50,000 gals per month....	20.32	11.00	9.32

Dollar for Dollar the cheapest necessity a family pays for today is water.

An assured supply of pure water and good service is essential to the growth and development of a community and your District is constantly striving to meet and anticipate this demand. This can best be done by rates that will enable your district to maintain the system in an efficient and business-like manner.

TRUCKEE PUBLIC UTILITY DISTRICT

A Tax-Saving, Public Service Enterprise

Redistricting Plan For County Aired

NEVADA CITY— Redistricting of the county into supervisorial districts of equal or nearly equal population was the principal topic of a mass meeting held under the auspices of the county Republican central committee.

At the session, held to hear the views of candidates for the board of supervisors, the aspirants did not oppose population reapportionment but said they would prefer a system based in the selection of supervisors at large.

Incumbents' Views

Curtis Clark of Nevada City and John Frank of Grass Valley, incumbents, facing competition in the June primary election, said they had no objections to a population apportionment and would support a program of voting at large.

The issue was brought into the open by J. S. Overmire of Chicago Park section east of Grass Valley. "Under the present outmoded and impractical system, Supervisor J. C. Coughlan of Columbia Hill represents 1 1/2 percent of the county population; Supervisor Henry G. Loehr of the Truckee area is the representative of 7.2 per cent and Supervisor Guy N. Robinson is the supervisor for 8.8 percent of the county. Meanwhile, Supervisor Frank of Grass Valley represents 57 percent of the county voting strength and Supervisor Clark is the representative of 26 percent," Overmire said.

"It is manifestly unfair to the people of the county to continue this setup which almost amounts to taxation without representation."

Endorse Sales Tax

On the issue of a proposed county sales tax, Supervisors Frank and Clark expressed approval of such legislation and Mosco R. Smart, a candidate from the Nevada City area, said he also favors such an assessment.

The incumbent supervisors declined to take part in a detailed discussion in a county manager form of government. Both said such moves have been made principally in wealthy counties with large populations.

When Ralph Schorr of Grass Valley, county central committee chairman, expressed doubt as to the wisdom of the supervisors inviting representatives of the United States Reclamation Bureau into Nevada County for a feasibility survey of water and power potentials, Clark and Frank joined in stating

Delinquent Child? -- Delinquent Home

By J. Edgar Hoover, Director, Federal Bureau of Investigation
SOME TIME ago a juvenile "crime club" was broken up on the West Coast. Its members ranged from 9 to 15 years old. They admitted picking pockets, shoplifting, burglarizing, and other crimes.

Five of the twelve boys had parents who both worked full-time. Two of the other boys had been deserted by their mother, and were in a housekeeper's charge while their father worked all day. Another came from a broken home; his mother worked all day to support her children. Neglected at home, all these boys fell into bad company and became criminals.

Hoover

THIS STORY, and many like it, shows that we need sound family life, family prayer and religious instruction, to solve our growing juvenile delinquency problem. Children aren't born criminals—they become criminals.

A wholesome family life is of primary importance in the child's early environment. A happy home, glowing with love of God, provides a healthy atmosphere for the child. Every

child imitates his parents' actions and attitudes. If he sees the good example of religious parents, he will tend to be a God-fearing man.

THE CHILD who sees parental fighting and bickering, immorality and irreligion in the home must look beyond the family circle to develop wholesome ideals. But where else can a young child look but to his parents? Invariably, the child who does not find proper guidance at home, never finds it at all. Juvenile delinquency is the result.

In the Midwest recently a fourteen-year-old boy was arrested for the murder of a man, his wife and daughter. He had no reason at all for killing them; they had always treated him very kindly. When the parents of this young criminal were questioned, they admitted that they both worked full-time. They had no time to instruct their child about God.

WE MUST remember that not only immoral parents produce juvenile delinquents. Well-meaning but careless parents, "too busy" to teach their children to love God, and "too busy" to give time to family prayer, frequently cause delinquent children. Against this carelessness, the parents of our citizens of tomorrow must be constantly on guard.

† Paulist Feature Service, Washington 17, D. C.

CRIMINAL COURTS OPEN TO PUBLIC, BROWN DECLARES

SACRAMENTO —(CNS)— Attorney General Edmund G. Brown has filed a brief in the third district court of appeal reaffirming that criminal court trials should not be closed to the people and the press.

The brief was filed in support of four California newspapers seeking legal action against order of Sonoma County Superior Judge Donald Geary which barred the public and press reporters from a recent murder trial.

The petition asked that a hearing set by the district court on the case be postponed from May 10th to May 18th.

"The public have a right to know how and in what manner justice is administered and to be informed of the actions and conduct of its public officials," Brown's brief declared.

Brown asserted that presence of a "small number of newspaper reporters" at a criminal trial "cannot result in an unfair trial to a defendant."

LAKE LEVEL

TAHOE CITY— With all gates into the Truckee river closed, the level of Lake Tahoe Monday stood at 6227.95 feet. A rather stormy week deposited three inches of weak snow before the weather cleared Sunday and precipitation was approximately half an inch. Warm sunny weather prevails following the unseasonal storms.

the invitation is merely to seek a discussion and is not to be considered an endorsement of federal water control.

Dr. Oscar Bailey of Grass Valley presided over the discussion.

NATIONAL FOREST TIMBER FOR SALE

Sealed bids will be received by the Forest Supervisor or his authorized representative United States Forest Service, Nevada City, California, up to and including 2:00 p. m., June 15, 1956, for all the live and recently-killed (sound sapwood timber, marked or designated for cutting, located on an area embracing about 100 acres within Sections 22 and 24, T. 14 N., R. 16 E., M. D. M., Tahoe National Forest, California, estimated to be approximately 635 M feet b. m., more or less, of ponderosa pine, sugar pine, western white pine, lodgepole pine, white fir, red fir, and incense cedar. The base rates applicable through the entire period of the sale contract are: \$15.40 per M feet b. m. for ponderosa pine and sugar pine, \$10.25 per M feet b. m. for western white pine, \$2.00 per M feet b. m. for lodgepole pine, \$3.00 per M feet b. m. for white fir and red fir, and \$1.35 per M feet b. m. for incense cedar. No bid will be considered which is less than these base rates plus an additional amount of at least \$16.40 per M feet b. m. for ponderosa pine and sugar pine, \$11.25 per M feet b. m. for western white pine, \$3.00 per M feet b. m. for lodgepole pine, \$5.05 per M feet b. m. for white fir and red fir, and \$1.70 per M feet b. m. for incense cedar. The total stumpage rates bid shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the base index determined as set forth below and the average of the Western Pine Association lumber price indexes as calculated by the Forest Service at the end of each quarter. Such adjustments in the additional amounts for stumpage shall be applicable to timber cut and sealed

ed during the calendar quarter for which the adjustment is computed. In no event, however, shall the adjusted stumpage rates for each quarter be less than base rates as first stated above. The base index for this sale is the arithmetic average of the Western Pine Association lumber price indexes for the months of April, 1955 through March, 1956. In addition the purchaser will be required to make deposits for reforestation and other silvicultural work on this sale area at a rate of \$1.00 per M feet b. m. for all the live and recently-killed (sound sapwood) material sealed, and to make deposits to cover the cost of hazard reduction work at the rate of \$0.15 per M feet b. m. for all live or recently-killed (sound sapwood) material sealed. In addition, there is an unestimated merchantable volume of older dead (unsound sapwood) timber on the above described area, the removal of which will be required at the following rates: \$16.40 per M feet b. m. for ponderosa pine and sugar pine, \$11.25 per M feet b. m. for western white pine, \$3.00 per M feet b. m. for lodgepole pine, \$4.50 per M feet b. m. for white fir and red fir and \$2.00 per M feet b. m. for incense cedar. These rates will not be subject to the quarterly calendar adjustment. A certified or cashier's check for \$10,000.00 must accompany each bid to be applied on the purchase price, refunded or retained in part as liquidated damages according to conditions of sale. The right to reject any and all bids reserved. Before bids are submitted, full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the Forest Supervisor, Nevada City, California, or the District Ranger, Truckee, California.

National Auxiliary Head To Visit Lake

CRYSTAL BAY— At a regular meeting of the Ladies Auxiliary of Post 7077, Veterans of Foreign Wars held Wednesday at Crystal Bay Club, a report on the District 3 encampment held May 6th at Reno was given by President Pearl Moore.

Past President Ethel Antonson of the local auxiliary was elected conductress for District 3.

Bids by this post and auxiliary for the district encampment in September was unanimously accepted and this post will be host to the district on September 16th.

The local post will also be honored May 26th by a visit from the national president, Mrs. Hedwig Olsen of Clinton, Ohio, who will arrive for a visit in Reno May 20. A luncheon to honor the visitor will be held at the Crystal Bay Club.

Those attending the district meeting were Bill Dugan, John S. Crenshaw, Ikey LaBorde, Bernita Jones, Peggy Mandeville and Pearl Moore.

The national president will arrive in Reno Sunday and all posts in the region will attend the reception at the El Cortez Hotel. Tuesday the members will make a tour of interesting places with the luncheon at Crystal Bay. That will be followed by a visit to Squaw Valley and other points of interest. Reservations for the luncheon may be made by calling Mrs. Moore at Liberty 6-3514.

TAX PAYMENTS IN STATE ON INCREASE

SACRAMENTO —(CNS)— Californians paid \$1,106,653,274 in county, city, school district, special district, improvement and personal property taxes during the 1955-56 fiscal year, the state board of equalization announced.

This was an increase of 11.6 per cent over the preceding year.

In Nevada county, tax levies totaled \$1,649,000 based on a total assessed value of \$34,889,000.

A breakdown of the county's tax levies was listed as follows: City, \$161,000; County \$856,000; school districts, \$603,000; other districts, \$29,000.

Statewide, the total levy amounted to \$95 for every man, woman and child in the state, the board reported. This was an eight percent per capita increase over the year before.

ROAD FUND
SACRAMENTO —(CNS)— State Controller Robert C. Kirkwood today announced that Nevada county will receive \$19,981 as its share of \$5,165,247 in highway users taxes appropriated to counties in April.

California wineries crushed 1,531,556 tons of grapes in 1955.

Tahoe Items

A burglary of the James L. Stock summer home at Crystal Bay, Nevada, was reported to Nevada deputies by Mrs. George Thatcher of Reno as having occurred within the past two weeks. The articles reported to have been taken from the home included two saxophones, bedding, tools, phonograph with a total value of an estimated \$300.

Mr. and Mrs. Louis Celia of Berkeley opened their house at Tahoe the first of the week, glad to get back here for the season.

Sara Ann Ernst has moved from Colusa to Sloat, California.

Mr. and Mrs. J. T. White who have been in Sacramento for the winter, returned to Tahoe last week.

Mrs. Fred Manley has come from southern California to spend the season at her home in Tahoe City.

Joe Fara of Richmond wrote that he is arriving at Tahoe today.

Nancy Bergman Chosen As Student Placement

TAHOE CITY— Nancy Bergman, who was formerly a student of Mrs. Jack Dunne, when Mrs. Dunne taught at the Tahoe-Truckee High School, has recently been accepted by the American Field Service for placement with a family in Sweden this summer. Nancy, who is now a junior at the Danville High School, is the daughter of Mrs. Emily Bergman of that city. She was chosen for the placement among 484 schools in the United States.

Nancy graduated from the eighth grade at Tahoe-Truckee High School before leaving this community. She was an honor student and was valedictorian of her class, as well as taking an active part in student council, athletics, and showed outstanding ability in leadership for the betterment of her school.

TAHOE OBSERVERS AT MONTEREY MEET

TAHOE CITY—Among key members of the Ground Observer Corps Program, Mrs. Marie Henry of this city was invited last week to participate in the first "California Post Supervisors Conference," held on May 8th, 9th, and 10th in Monterey.

The conference was held under sponsorship of the Monterey Peninsula GOC post. The theme chosen was "Air Defense From the Ground Up". During the three day conference top air defense leaders and members of the State Office of Civil Defense gave maximum educational and informative lectures on the reason for an alert and active Ground Observer Corps program.

Major Paul Gaughenbaugh, USAF, State GOC coordinator, was scheduled to open the conference. Colonel Broun Mayall, USAF, National GOC director, flew to the Monterey Peninsula from his headquarters at CON ADC, Colorado Springs, to address the group.

The main purpose of the conference was to give post supervisors an opportunity to discuss mutual problems and ideas, to help render a stimulant to the organization. They also met and talked with jet pilots, anti-aircraft personnel and radar operators.

Jeff Wilson, editor of "Aircraft Flash", conducted a workshop on public relations and publicity. Among subjects of importance to this region in general was a discussion of the recent sighting over Squaw Valley, by four reliable Tahoe citizens, of a UFO, or so-called "flying saucer."

Prentice Hale New Bank America Board Member

Prentice C. Hale, chairman of the board of Broadway-Hale Stores, Inc., and president of the organizing committee for the 1960 Winter Olympic games at Squaw Valley, has been appointed to a seat on the board of directors of Bank of America. Hale has served as a member of the bank's advisory council to the board of directors since 1945.

In addition to his position with Broadway-Hale Stores Inc., the new member of the board is a director of Union Oil Company, Los Angeles and of the Pacific Vegetable Oil Company, San Francisco. He participates also in numerous civic and philanthropic activities in San Francisco including posts as director or trustee of the Red Cross, Symphony Association, Art Museum, War Memorial and Institute for Philosophical Research.

holders of on-sale beer licenses. Munro said such permission would be a violation of the Alcoholic Beverage Control Act.

The department also announced that liquor establishments, if they so desire, can advertise "double drinks" during cocktail hours, since there is no provision in the act regulating the amount of alcohol put in drinks, and the practice does not violate the fair trade practice act.

The director clarified the "give-away" activities of retailers, stating that they may issue certain advertising media without charge, but when it comes to giving away anything with a utilitarian value, outside of advertising, such gifts are contrary to the law.

California vintners in 1862 created the California Wine Growers Association.

Service Establishments In County Collect Over \$2,000,000 Each Year

Receipts of 147 service establishments enumerated in Nevada County in the 1954 census of business amounted to about \$2,446,000, according to a preliminary report covering service trades, published by the Bureau of the Census, U.S. Department of Commerce. The combined yearly payroll of the country's service establishments was \$619,000. The reported 209 employees of whom 170 worked full time in the pay period ending nearest November 15th. Proprietors ac-

tively employed in the operation of unincorporated businesses numbered 149.

Establishments providing personal services numbered 32 and reported receipts of \$588,000. Establishments primarily engaged in automotive repair, parking and other automotive services numbered 20 and had receipts of \$421,000. Establishments listed as "all other services" in the preliminary report numbered 95 and had receipts of \$1,437,000.

"Personal services" group includes such businesses as barber and beauty shops, cleaning and dyeing plants, laundries and laundry services, garment alteration and repair services, funeral services, photographic studios, shoe repair shops and shine parlors, as well as other personal services.

"Automotive services" group in-

cludes general automobile repair shops, battery service shops, tire repair shops, body repair and paint shops, automobile rentals, storage garages, parking lots, auto laundries, and other miscellaneous automotive services.

"All other selected services" group includes business services, miscellaneous repair services, amusement and recreation services, motion pictures, hotels, tourist courts, motels and camps.

Tough jobs demand a Universal 'Jeep'

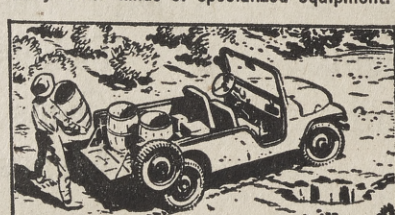

Traction. 4-wheel drive gives the extra traction for traveling up steep grades or broken ground. The 'Jeep' is built to stand up and take it in tough usage.

Mobile power. With power take-off, the Universal 'Jeep' provides mobile power for operating welders, compressors, generators and many other kinds of specialized equipment.

Hydraulic lift. With hydraulic lift, the 4-wheel drive 'Jeep' operates graders, scrapers, post hole diggers and most 3-point hitch implements.

Now a 'Jeep' with longer wheelbase—the new model CJ-6. Carries larger, bulkier loads; has all the features that made the 'Jeep' famous.

A 4-Wheel-Drive Universal 'Jeep' takes you to the job, wherever it is—on the road or off! This rugged performer carries men and equipment over the highway in conventional 2-wheel drive. Then, when work calls for travel off the road—through mud, sand or snow, up hill or down—you shift a single lever for the extra traction of 4-wheel drive. With power take-off, or hydraulic lift, the Universal 'Jeep' does an almost endless variety of jobs. To find out what it can do for you, ask for a demonstration.

4-WHEEL-DRIVE UNIVERSAL Jeep

Road Bill Offers Emerald Bay Hope

New hope for construction of the Emerald Bay portion of State Route 8 and virtual assurance that U.S. Highway 40 will be completely four laned within a reasonable short time, were seen with passage of the huge federal highway bill.

This state will get more than \$100,000,000 in federal funds during the first year of this program starting July 1st and the allocations will increase annually.

Currently California is spending about \$256,000,000 a year on its highways.

Most of the funds allocated by the federal government in California will go toward 2160 miles of federal and state routes in existence and the law requires that the routes scheduled for federal funds be planned as divided freeways of at least four lanes.

U. S. Highway 40 from San Francisco to the Nevada state line is included in the program.

The urgency and demands on State Route 89 in the vicinity of Emerald Bay undoubtedly will be given consideration, despite opposition by a few who protest such an improvement would ruin the view from the present dangerous and often impassable grade.

Altogether, some 7400 miles of State highway and 10,000 miles of so-called secondary Federal aid highways, including 6000 miles of county roads, would benefit from the Federal bill. But most of the funds would go to the 2160 miles in the interstate highway system.

It would be up to the California Highway Commission to determine priorities and award contracts for the work.

LAW EXPLAINED ON SCHOOL BUS LIGHTS

SACRAMENTO—Some misunderstanding of the school bus law is indicated by the actions of many motorists when approaching a stopped school bus on the highway, says the California Highway Patrol.

"The law requires motorists to stop only when the school bus is stopped and the red lights are flashing," state Patrol Commissioner B. R. Caldwell. "If the sun is in a position to make the lights difficult to observe, it is well to slow down until you can discern the status of the lights."

"It is not necessary to stop if the school bus is standing and the red lights are not flashing. It is advisable, however, in the latter situation, to approach the bus at a controlled speed and be prepared for a quick stop if some child should unexpectedly run across the highway without warning."

"The cooperation of every motorist is needed to provide maximum safety to children who use the buses," Caldwell said. "Motorists who stop on the highway when not required to do so usually cause their cars to become hazards resulting in rear collisions and other traffic conditions leading to possible accidents."

"If the provisions of this law are not clear, complete information can be obtained at any highway patrol office. It is wise to know and obey all traffic rules."

Example Of Cooperation In Local Promotion Work

An idea of the cooperation between booster organizations in the area was exemplified last week with receipt of a note from Don Huff, president of the Lake Tahoe-Sierra Chamber of Commerce.

An international travel service in Honolulu desired information on Donner Lake cabin sites and brochures on Donner Pass. The question went to the Redwood Empire Association at San Francisco, which in turn forwarded it immediately to the Sacramento Chamber of Commerce. The Sacramento chamber redirected it to Huff, who complied by sending several pamphlets from Truckee and Donner.

It was a long way around, but effective and this kind of cooperation will go far in general promotion of the entire region.

EASY DOES IT!—Young Reserve Forces Act enlistees learn how to take a litter over the obstacle course during their training as "medics" at Brooke Army Medical Center, Fort Sam Houston, Tex. Going over the hurdle is Private Robert L. Johnson, left, and Private Jimmy D. Guy, both members of a Middlesboro, Ky., Army Reserve ambulance company on active duty for six months.

County Health Plan Approved

Details of the proposed contract between the County of Nevada and the State Department of Public Health for an enlarged but more economical county health program will be presented at the meeting of the board today, Supervisor H. G. Loehr reports.

While details of the contract have to be studied more thoroughly by the board before final action is taken, Loehr said, it is generally agreed that the tentative proposal offers a sound solution to the county's public health setup.

Currently the program is costing the county more than \$10,000 a year, or a cost of 55 cents per capita.

Provide Personnel
For 55 cents per capita paid by the county and the remainder paid by the state the state will provide

services of two physicians, two nurses, two sanitarians, use of all medical and laboratory facilities and any emergency expenses.

The county will provide office space and clerical help and keep its current staff, deducting expenses from the total of the 55 cents per capita as in kind expenses before paying any money.

Meeting with the board on this matter was Dr. George F. O'Brien of the Department of Public Health, who also explained if the communities of Grass Valley, Nevada City and Truckee wished to contract for the service they could for a fee of \$1.

Meanwhile the board agreed to investigate possible locations for office space for the additional personnel.

Fray Francisco Palou, a Franciscan father with Anza's party, took a leading part in establishing both the Presidio and Mission Dolores at San Francisco.

Activities Planned For School Closing

Preparations for baccalaureate and commencement exercises are taking shape at the high school. Sunday, June 3, has been set for baccalaureate services to be held this year at the high school. Commencement exercises for the eighth grade will be held Thursday, June 7th, and graduation exercises for the twelfth grade will be held Friday, June 8th.

Monday evening the entire senior class were the guests of the Truckee Rotary Club at a dinner at Donner Lake Lodge. During the evening a panel of seniors—Gary Anderson, Judy Loynd, Sharon Little, Jay Mandeville, and Duane Pomini discussed current political problems and talked about the role of today's young adult in society. Also guests at the dinner were Miss Thelma Finger, Con Briner, and Frank Ratliff.

Field Trips

Field trips are planned this week by the seniors and by the drama class. On Thursday the senior class went to Sierra College in Auburn to participate in that college's annual visitation day. During that day the seniors went to a typical college day's classes. Each senior "enrolled" in a major field in which he was interested and attended those particular classes.

To See Shows

Saturday the drama class is motoring to San Francisco where they will see the Broadway production of "Silk Stockings", the French movie "Diabolique", and if possible the open air production of "The Birds" by Aristophanes. The drama class includes Jo Anne Palmer, Jo Anne Van Hooser, Carolyn Henry, Scott Gilmore, Kit Schull, Allan Stribley, and Harry Woodward. This field trip will be chaperoned by Miss Barbara Kemp and Frank Ratliff.

Gets Honor

Bob Williams of Lake Forest recently received the honor of having a poem accepted for the inclusion in a college textbook of Mildred Dawson, lecturer in education at Sacramento State College. His poem, "Background to Skiing", will appear in a revised edition of Teaching Language in the Grades and credit is to be given to both Bob and the Tahoe Truckee High School.

Eighth grade activities will come to a peak this weekend when their dance, "May on Mars", will be held in the high school cafeteria at 8 p.m. Extensive preparations appear to insure a successful event. Mrs. Rowena Clotta is the sponsor of the eighth grade.

Pre-registration at the high school began Tuesday. Under this plan all students scheduled their classes for the fall semester, 1956. This pre-registration is expected to expedite scheduling of all classes and enrolling of students in the fall.

Elections Monday

Student body elections have been scheduled for Monday, May 22. Intense political interest has carried the electioneering and campaigning to a new high point. Almost all of the students are participating in this election through some medium, as candidates or supporters. This is the annual student government election time and the students themselves choose their representatives for their governing body.

Out of Hospital—

State Patrolman T. F. Sheehan who was in the Tahoe Forest Hospital for several days with an attack of pneumonia has returned home and expects to resume his work next week.

On Leave—

Michael O'Rourke, who is serving with the army at Camp Meade, Md., is visiting here with his wife and mother and father, Mr. and Mrs. E. V. O'Rourke while on a 20-day leave.

Recuperating—

Mrs. N. F. Dolley is walking around at home after undergoing an operation for a spine injury and several weeks in the hospital.

At Home—

Mr. and Mrs. Eugene Gini are at their home on River Street, following their marriage at Reno, Nevada on May 5th. The bride is the former Shirley Jennings.

CHURCH NOTES**FAMILY NIGHT—**

This Friday evening a potluck supper will begin an evening of fun, fellowship, singing, worship and films for the whole family. The supper begins at 6:30 p.m. and the affair will close at 8:30.

LOYALTY SUNDAY—

This coming Sunday is Loyalty Sunday in the church. It is a time when all persons will declare their loyalty to the church's program for next year. All persons will have been contacted by laymen of the church to talk over the needs of the church. At the Sunday service everyone will deposit their declaration of giving at the altar in a special service of stewardship. Those who absolutely cannot make the service are asked to have their pledge cards deposited by someone they are certain will be attending.

YOUTH FELLOWSHIP—

The Sunday evening fellowship will meet at 5 p.m. as usual, but the older high school MYF is not scheduled next week.

Juvenile Delinquency Is Topic Of Rotary Meet

KINGS BEACH—An interesting meeting was held on Monday night, May 14th by the Rotary Club of Brockway at the Crystal Bay Club, President Bill Randall presiding. Responding to the call for the introduction of visiting Rotarians the following introduced themselves: George Kehlet, Bob Tonini, Bill Bechdolt and Bill Connors of the Tahoe City Club; Pete Bennett of the Catalina-Tucson club; Don Huff of Woodland; Lou Hartman of Grass Valley and Floyd Bowers of Roseville.

H. E. (Mac) McCoskey, one of the co-owners of the Crystal Bay Club was introduced into the club. Later the program was turned over to Hank Dodd who introduced Floyd Bowers of Roseville. Bowers selected as his topic "Twelve Tablets for Mental Indigestion—Taken One at a Time". This topic was one on juvenile delinquency, its cause and solution also as to where the responsibility lies.

Monday night, May 21st will be Ladies Night and the program committee has arranged an enjoyable evening for those attending.

Local Rebekahs Attend Meet Of Nevada Lodge

Mrs. Dan Horman presided at the May 9th meeting of Naomi Rebekah Lodge No. 2 when 8 members told of their visit to Queen Esther Lodge No. 9 at Sparks, Nevada the previous evening. Several lodges convened in the Nevada town, with their local and state officers to enjoy a session of drills and entertainment.

Attending from the local order were Mesdames C. R. Heller, C. F. Vind, Dan Horman, Rex Reid, Wm. Davis, Paul Chapel, C. E. Allison, Art Mori.

Mrs. Reid served refreshments at the close of the Wednesday meeting.

Mrs. Horman may be contacted for information concerning a visit of Truckee members of the lodge to the May 21st initiation to be held by the same order in Reno, Nevada.

Great Books Group To Hold Meeting May 23

The next meeting of the Great Books discussion group will be held Wednesday, May 23rd. Mrs. Dorothy Rose of Truckee and Mrs. Patricia Woodard of Soda Springs will lead a discussion of Epictetus: Discourses.

Members of the group voted at the May 9th meeting to continue meeting throughout the summer. Due to the anticipated absence of several members it was suggested that the readings of the prescribed Great Books list be withheld until the first September meeting. Other readings, to be chosen by the group, would be substituted.

It was further suggested that a second, beginning, group be organized in September. Such a group would accommodate the people who have become interested in the discussions but are reluctant to join

Teachers Here Finish Improvement Course

Local school teachers recently completed a professional improvement course in "Language Arts" conducted by Dr. Henry A. Bamman, Jr., assistant professor of education at Sacramento State College.

The teachers attended three-hour night sessions during the school year and Dr. Bamman traveled from Sacramento to conduct the classes. This course which carried two-hour college credit was financed individually by the participating teachers.

Those teachers participating in the program were: Kings Beach School: Mrs. Kay Wing and Miss Elrose Knudsen; Tahoe Lake School: Mrs. Ruth Roberson, Miss Geri Bean and Mrs. Lillian Farr; Truckee Elementary School: Mrs. Ruth Croxson, Mrs. Jean Manetta, Miss Arlene Roth, Mrs. Olia Tiffie, Mrs. Helen Trask, Lynn Kishbaugh and Hugh Smith. Tahoe Truckee High School: Mrs. Rowena Cinotta, Miss Thelma Finger, Mrs. Alysmae Schultz, Mrs. Betty Jo. Smith, Dan Holub, Robert Madge, James Pringle, and Frank Ratliff.

Patient From Brockway—

John McClosky of Comstock's estate at Brockway has been a patient at Tahoe Forest Hospital.

Rush at Kings Beach—

Mr. and Mrs. Thomas Rush who have been in Pittsburg are back at Kings Beach.

Come Home—

Mrs. Ben King and infant daughter, Ellen Marie are home from Sacramento where the latter was born, early in May.

License Issued—

Art E. Holcomb, 18 of Truckee and Jacquelyn Magill, 18 of Reno, were issued a marriage license at Reno, Nevada, the first week end in May.

Visits Children—

Mrs. C. E. Allison has been spending the week at El Cerrito as the guest of her son and daughter and their families.

To Sacramento—

Mr. and Mrs. William Stevenson were Sacramento visitors during the weekend.

Attend Dinner—

Mr. and Mrs. Omar Alexander and daughter Paty of Roseville were here during the weekend and attended the C.S.E.A. dinner on Saturday evening.

From Capital—

Mr. and Mrs. Charles Walker and Howard Leamon of Sacramento visited the Robert Leamon family.

To Boise—

Guests of Mr. and Mrs. Walter Barrett on Saturday were Mr. and Mrs. Robert Keller and son, Mike, of Novato, the visitors were en route to Boise, Idaho.

Joerger Up—

J. E. Joerger of Shingle was a Tuesday visitor at his local Ranch. Joerger is glad to be up, he said, following a three months illness during the winter months.

near the middle of the first year program. A second group would also help control the size of the present group that has grown to the limit for the most effective participation.

Rummage Sale

A rummage sale will be held in the Methodist Church on May 28th and 29th, beginning at 10 a.m. and continuing until 4:30 in the afternoon of each day.

Mrs. Ben King requested that if anyone has clothing to contribute for the event they may contact her or take the article to the church building.

PATRONIZE ADVERTISERS

Clements Is Visitor

Alex Clements, manager of Bank of America here 17 years ago and now associated with a wholesale potato firm in Redmond, Oregon, visited here briefly Wednesday. Mrs. Clements is currently visiting in the east with a son, Jerry, recently injured in a softball game. A second son is married and residing at Dunsmuir and their daughter lives with her husband on a ranch near Fallon, Nevada.
